# 5 Packed RJ45 single pair (pinout 4,5) Patchcord, PVC cable, unshielded U/UTP, copper wires AWG26/7, 3µ gold plated, snagless connectors, OD : 3,4mm, blue, 1m

**GGM CORJ1P1MB**

Single pair cord for telephone patch Optimisation of passage through the cable tidies or brush panels, due to small outer cable diameter (3.8 mm). This overmolded cord allows high density patching to be obtained.

- Shielding : UTP
- Category : 5
- Standards : IEC/ISO
- Outersheath diameter : 3,5mm
- Frequency range : N/A
- Impedance : 100
- Gauge (awg) : 26
- Boot : No
- Conductor type : Stranded copper
- NVP (%) : 60
- Cable schematics : Right
- Fire behaviour : Non
- Connector type : RJ45
- Sheath type : PVC
- Outer jacket colour : Blue
- Packaging : Pack of 5 pcs
- Shield type : U/UTP
- Length : 1 m
- Connector A : Other
- Connector B : Other
- Jacket colour : Blue
- Snagless : Yes
- Boot colour : Blue
- Fire retardant : No
- Oil resistant : No
- Number of pairs : 1x4
- AWG : 26
- Wire scheme : 1:1
- NVP : 67 %
