

**CAT6A U/FTP AWG 28
SLIM PATCH CORDS
GGM CAT6AUFxxMSBK**

New GIGAMEDIA CAT6A U/FTP AWG28 slim patch cords.

Thanks to their outer diameter of 4.8 mm, these patch cords will reduce space taken in cable management panels by 50 % as compared to traditional patch leads, facilitating air circulation in often overcrowded IT rooms.

**MAIN
FEATURES**

- Category 6A U/FTP 28AWG
- Black LSZH outer jacket RAL9004
- Compliance:
ANSI/TIA/EIA-568.2-D
EN 50173-1, EN 50173-2 and EN 50173-5
ISO/IEC 24764
IEC 61935-2
- Applications:
IEEE 802.3: 10Base-T ; 100Base-T ; 1000Base-T and
10Gbit Ethernet
IEEE 802.3at/af (PoE/PoE+)
- Fire behaviour : IEC 60332-1-[1,2] (2004-07)
- Outer diameter : 4.8mm
- Slim snagless transparent boots
