G657A2 2 fibre drop Cable semi-preconnected SC/APC mounted in 4 fibre PTO / DTIO - 60 m

GGM DTIO2F60M

Compact & functional, these preterminated drop cable kits are very convenient and can be installed in only 3 steps!
Featuring gel-free easy peeling micromodules, they reduce cable preparation time and allow an easier and faster termination.

The instructions printed on the packaging, and the integrated hand-tearable reel bring further convenience and ease of handling.

Additionally, their eco-friendly packaging simplifies waste management on site.

An efficient, sustainable & easy-to-implement solution for your FTTx installations!

Product features
