

MIFARE DESFIRE STID READER GGM GREADER

*GIGAMEDIA Secured RFID Reader RS485 Desfire EV2 Mifare
Classic IP65 IK10*

The GREADER is a secure RFID reader with built-in Desfire EV2 **GIGAMEDIA** security keys. It connects to the centralized **GIGAMEDIA** access control solution (KITAX2DS or AXCxDIPEVO and AXC4DEXTEVO control panels and expansion modules)

It supports Desfire EV2 technologies with **GIGAMEDIA** security key

It comes with a 3m cable

This drive has IK10 and IP65 protection. It is also self-extinguishing and chemically resistant allowing installation in aggressive environments

Its accelerometer-based anti-tear system allows security keys to be removed in the event of a break-in.

Its narrow design allows for installation in tight spaces.

It also has a lifetime warranty.

A true concentrate of security, the GREADER reader is a must-have in your secure access control solutions.

FEATURES
