Videosurveillance kit Acces range 4MP 4 bullet cameras + 1 NVR 8 Channels PoE + 1 Tb HDD, GGM VIEW compatible Onvif 2.6 Profile S/T/G. This kit suits for small installation

GGM KITIP48C4MPA

The GIGAMEDIA surveillance kits are the ideal solution for your small surveillance projects such as private individuals, small shops, restaurants, ... They are upgradeable and are compatible with all cameras in the GIGAMEDIA IP range (IPC). The mobile/smartphone GGM VIEW application allows remote connection for direct or playback consultation. These kits are integral to 5MP cameras. The recorders supply the cameras directly thanks to PoE technology. The simple and intuitive interface allows for a rapid understanding of the solution
