

OM2 50/125µm SC/SC 150 meters cube launch reel, compact cube, protected tails, magnet at the bottom to work free-hands

GGM OFL2CC150

Warning !
This picture does not show the exact color

Launch reels are essential during reflectometry tests. Positioned at the start and end of the link, they allow the input and output connectors to be qualified, and eliminate any reflectometer dead zones. With a cube shaped format, they combine practicality, performance and robustness in order to perform the tests easily.

Product features

- Fiber type : Multimode OM2
- Other configurations : On demand

Article features

- Connectors : Low loss SC
- Fiber length (m) : 150
- Width (mm) : 86

ETIM 9 features

- Fibre optic category : Multi mode 50/125
- Category : OM2
- Length : Other
- Connector A : SC
- Connector B : SC
