

**OM3 50/125µm SC/LC 150 meters cube launch reel, compact cube, protected tails, magnet at the bottom to work free-hands**

**GGM OFL3CLC150**

Launch reels are essential during reflectometry tests. Positioned at the start and end of the link, they allow the input and output connectors to be qualified, and eliminate any reflectometer dead zones. With a cube shaped format, they combine practicality, performance and robustness in order to perform the tests easily.

#### **Product features**

- Fiber type : Multimode OM3
- Other configurations : On demand

#### **Article features**

- Connectors : Low loss SC & LC
- Fiber length (m) : 150
- Width (mm) : 86

#### **ETIM 9 features**

- Fibre optic category : Multi mode 50/125
- Category : OM3
- Length : Other
- Connector A : SC
- Connector B : LC
