

OM4 50/125µm SC/LC 150 meters cube launch reel, compact cube, protected tails, magnet at the bottom to work free-hands

GGM OFL4CLC150

Warning !
This picture does not show the exact color

Launch reels are essential during reflectometry tests. Positioned at the start and end of the link, they allow the input and output connectors to be qualified, and eliminate any reflectometer dead zones. With a cube shaped format, they combine practicality, performance and robustness in order to perform the tests easily.

Product features

- Ends : Ø 1.8 mm, reinforced with corrugated steel
- Included : Carrying strap, test report
- Integrated magnet : Easy to fix on 19" rack brackets
- Length (mm) : 107
- Fiber type : Multimode OM4
- Weight (kg) : 0.4
- Width (mm) : 86

Article features

- Connectors : Low loss ST & SC
- Fiber length (m) : 150

ETIM 9 features

- Fibre optic category : Multi mode 50/125
- Category : OM4
- Length : Other
- Connector A : SC
- Connector B : LC
