

## MONOMODE CONNECTOR

### GGM RACMOCCSWS

*SC simplex singlemode adaptor*  
*Plastic body*  
*Blue colour*  
*Ceramic sleeve+shutter*

Fiber optic adapters (or bulkheads) allow two fibers equipped with connectors (pre-connectorized optical fibers, patchcords, etc...) to be connected to each other, via a ceramic sleeve.

This process ensures optimized insertion loss and reflectance at the point of contact.

#### FEATURES
