

## EXTENDED OPTICAL TERMINATION OUTLET GGM ROLLONT30M

*Your FTTH installation made convenient!*

Deport your fibre optic connection easily with this optical network termination (ONT) extender.

Plug and play, it comes with a discrete (900 µm) 30m micro cable spooled on a reel, with each end pre-terminated in SC/APC .

The included adhesive allows for fast and easy as well as aesthetic implementation along skirting boards or door surrounds.

An efficient turnkey solution for your FTTH installations!
