19'' CABLING FLOOR STANDING CABINET GIGARACK TYPE 250

GGM AL2666G

26 U
600 X 600 mm
Grey

The rigidity and the load capacity of the aluminium frame, the high level of equipment, the finish, the aesthetics ...

In brief, a real added value product ! The screwed assembly of the frame allows a complete dismantling of the cabinet, very practical in case of difficult access.
