

75 OHMS BNC VIDEO CABLE

GGM BNCMM03M

VIDEO CABLE
75 OHMS BNC 30cm

75 ohm BNC AHD Video cable from 30 cm to 50 m, fitted with BNC male connectors. Ideal for your **GIGAMEDIA** AHD video surveillance installations **GIGAMEDIA** has developed a video cable specially designed not to downgrade the AHD quality. Double screened coaxial cable ideal to avoid all exterior interference to the cable. For reduced cable passage area, order the cable only (GX6) and BNC crimp connectors. The accessories and tools are identical to the traditional KX6
