

# 10" CABLING WALLMOUNT CABINET 123 CONNECT

## GGM 123CAB8N

8 U  
255 Mm depth  
Black

Taking up less space than a 19" cabinet, the 123 CONNECT has been specially designed to integrate in restricted surroundings. Full access inside the cabinet. Opening door and side panels for 180° access. The openings are reversible and easily removed, without tools, to facilitate cabling. Integrated cable management Pre-cut cable entries (top and bottom) 8 supports in the bottom of the cabinet for spooling and supporting cables using Velcro collars. The 10" uprights allow to tidy and support the cords using Velcro collars. Accessories fixed by clips. Rapid and easy (no tools necessary).
