

## SCREEN WITH METAL HOUSING

### GGM CCMLCD32PMAHD

32"  
Metal case  
WITH 1 INPUT HD-  
CCTV

The **GIGAMEDIA** GGM CCMLCD32PMAHD screen is an LED monitor dedicated to professional applications. It is designed to operate 24/7. Its connections allow it to respond to the majority of products on the market for a display that is FULL HD 1080p. The new addition is the BNC connector capable of displaying directly AHD/CVI/TVI data up to 5MP coming from a camera without passing via a recorder. This screen has a wide opening angle (178°/178°) for comfortable viewing no matter what position you are in. It can be desk mounted or fixed to a wall, respecting the VESA 200 standard.
