GGM OFL4TC150

Warning !
This picture does not show the exact color

Launch reels are essential during reflectometry tests. Positioned at the start and end of the link, they allow the input and output connectors to be qualified, and eliminate any reflectometer dead zones. With a cube shaped format, they combine practicality, performance and robustness in order to perform the tests easily.

Product features

- Ends : Ø 1.8 mm, reinforced with corrugated steel
- Included : Carrying strap, test report
- Integrated magnet : Easy to fix on 19" rack brackets
- Length (mm) : 107
- Fiber type : Multimode OM4
- Weight (kg) : 0.4
- Width (mm) : 86

Article features

- Connectors : Low loss ST & SC
- Fiber length (m) : 150

ETIM 10 features

- Fibre type : Multi mode 50/125
- Category : OM4
- Fibre length : Other
- Type of connector side 1 : ST
- Type of connector side 2 : SC
