

OS2 9/125µm SCUPC/SCUPC 150 meters cube launch reel, compact cube, protected tails, magnet at the bottom to work free-hands

GGM OFL9CC150

Launch reels are essential during reflectometry tests. Positioned at the start and end of the link, they allow the input and output connectors to be qualified, and eliminate any reflectometer dead zones. With a cube shaped format, they combine practicality, performance and robustness in order to perform the tests easily.

Product features

- Fiber type : Singlemode OS2
- Other configurations : On demand

Article features

- Connectors : Low loss SC/UPC
- Fiber length (m) : 150
- Width (mm) : 86

ETIM 10 features

- Fibre type : Single mode
- Category : OS2
- Fibre length : Other
- Type of connector side 1 : SC
- Type of connector side 2 : SC
