

Outdoor IP68 IK10 enclosure, PoE 30 W power supply with IR 50m VVK AE244

The outdoor housings in the Value series are compatible with all VIVOTEK cameras, including those with wide angle lenses or those with remote long distance focussing lenses. The camera housings are made from cast aluminium to meet IP68 and IK10 standards. AE-238 and AE-243 are supported by a 24VAC / VDC input, AE239 and AE-244 are supported by a PoE input, AE-243 and AE-244 are designed with an integrated IR illuminator and all are equipped with heaters and fans to prevent misting.

Article features
