

Videosurveillance kit Acces range 4MP 4 bullet cameras + 1 NVR 8 Channels PoE + 1 Tb HDD, GGM VIEW compatible Onvif 2.6 Profile S/T/G. This kit suits for small installation
GGM KITIP48C4MPA

The KITIP48C4MPA is composed by 4 bullet cameras with 4MP resolution and 1 PoE NVR with 8 channels and 1 Tb hard drive.

This economical solution for your security, this kit is scalable up to 8 cameras.

Cameras can be installed in indoor or outdoor environment and can light up to 25m in infrared. Large angle of view permits to see large scene.

A few analytics functions are supported such as:

- Human and vehicle detection
- Crossing line detection
- Zone entry or exit

GGM VIEW app is available on IOS and Android platform for a remote connection via smartphone or tablet (live view and playback)

Ideal solution for low cost surveillance, this kit is perfect for your small projects (tobacco shops, Home use, small businesses...)
