GIGAMEDIA
SMART BUILDING SOLUTIONS

# Basic 1U metal panel to equip 24 monobloc ports black

## GGM PANV24PMKB

From a completely modular design or not, the GIGAMEDIA range of panels offers an economic solution and competitive cost/port ratio. It has possibility for markings and identification. Ready to accept a substantial number of active links, they are robust, have a rear support plate and thus guarantee reliability when mounted in a 19" environment. NB: Delivered without connectors

- Applications : N/A
- Category : N/A
- Color code : N/A
- Standards : ANSI/TIA-568.2-D, ; EN 50173 ; ISO/IEC 11801
- Connector type : Female
- Height in U : 1
- Impedance : 100
- Connection mode : N/A
- Equip : No
- Port density : 24
- Port identification : ports identification numbers and white zone
- Color : Black
- Pro. 110 IDC block with cutting blade : N/A
- Connection type front side : Other
- Number of connectors front side : 24
- Connection type backside : Other
- Number of connectors rear side : 24
- Height (U) : 1
- Mounting dimension (standardised) : 482.6 mm (19 inch)
- Colour : Black
