ST/PC multimode OM2 50/125µm semi-tight buffer easy-strip 900µm pigtail, 1 meter, orange colour, strippability >20cm, ceramic ferule

GGM S1MPT1M

Pigtails OM2 50/125 µm, sheath green.

Product features

- Bandwidth (mhz/km) : @ 850 nm : >= 200 ; @ 1300 nm : >= 500
- Ferule : High precision ceramic (ZrO2)
- Il/rl test report : Supplied with each piece
- Insertion loss : <= 0.15db
- Operating temperature : From - 5°c to + 60°c
- Other connectors : On demand
- Polishing : PC
- Jacket : 900 µm LSZH
- Typical return loss : >= 35db

Article features

- Packaging : By piece
- Cable type : Semi-tight (easy-strip)

ETIM 10 features

- Fibre type : Multi mode 50/125
- Category : OM2
- Type : Cable pigtail
- Core type : Semi tight
- Length : 1 m
- Type of connector : ST
- APC-version : No
- Colour : Green
- Anti-kink sleeve : Put-on
